

Northeast Georgia Presbytery

2024 Covenant of Commitment for Shared Mission Support

Members of your congregation support the work of Northeast Georgia Presbytery in two ways: Per Capita Apportionment and Shared Mission Support. 2024 Per Capita is \$20.70 per member, supporting the General Assembly (\$9.80), Synod of South Atlantic (\$1.50), and Presbytery (\$9.40). The Presbytery portion covers about 30% of our operating budget. Another 10% is funded through investment income and undesignated reserves. *Shared Mission support, given freely by the member churches of our presbytery, funds 60% of the operating budget.*

Thank you for helping us serve the congregations of Northeast Georgia.
