

Covenant of Commitment, 2026

As you know, financial resources for the work of Northeast Georgia Presbytery are drawn from two main sources: the Per Capita Apportionment and what is termed Shared Mission Support. Both funding streams are necessary to cover the operational costs of the Presbytery. Per Capita is tied to each church's total membership; for 2026 that figure equals \$25.66 per member. Of that, \$12.40 remains within the Presbytery, while \$2.00 is sent to the Synod of the South Atlantic, and the remaining \$11.26 goes to the General Assembly. Per Capita provides approximately 40% of our operating budget, and another 3% comes from investment income. *This means that 57% of our operating budget is derived from Shared Mission Support.* Shared Mission Support is totally voluntary, and we are very grateful for the faithful contributions of our member churches. Thank you in advance for your participation in this year's Covenant of Commitment.
